01 About the Tour

JERUSALEM – A SPIRITUAL JOURNEY TO THE HEART OF SACRED PLACES

Jerusalem is the first direction of prayer in Islam and one of the most blessed cities on earth. The presence of Al-Aqsa Mosque, the splendor of the Dome of the Rock, and the traces of the Isra and Mi'raj miracle make this ancient city an indispensable destination for believers. Walking through the streets of Jerusalem, you follow in the footsteps of prophets; you feel the spirit of Saladin's conquest and the Ottoman's centuries-old legacy of justice.

Near the city, El-Khalil (Hebron) carries the deepest memory of monotheism and submission with the Harem al-Khalil, where Prophet Ibrahim (peace be upon him) and his family are buried. The spiritual atmosphere here invites visitors to a tranquility that passes through history.

Jaffa, united with the blue of the Mediterranean through its historic port and Ottoman traces, is an elegant reflection of Palestinian culture. Walking along the coast, you feel both the voice of history and resistance.

Jericho, as one of the oldest cities in the world, bears the traces of Prophet Moses (peace be upon him) and Joshua son of Nun (peace be upon him). The ruins of Hisham's Palace and the silence of the desert offer visitors a peaceful place of contemplation intertwined with history.

When Jerusalem, Hebron, Jaffa, and Jericho come together, they offer visitors a unique spiritual route. This journey is not merely a tour for the believer; it is a contemplation journey that follows the traces of revelation and purifies the heart.
