01 About the Tour

JERUSALEM – A SPIRITUAL JOURNEY TO THE HEART OF SACRED PLACES

Jerusalem is Islam's first direction of prayer and one of the most blessed cities on earth. The presence of Al-Aqsa Mosque, the magnificence of the Dome of the Rock, and the traces of the Isra and Mi'raj miracle make this ancient city an indispensable destination for believers. Walking through Jerusalem's streets, you virtually follow in the footsteps of the prophets; you feel the spirit of Saladin's conquest and the Ottoman's centuries-old legacy of justice.

Near the city, Al-Khalil (Hebron) with the Haram of Al-Khalil, which contains the tombs of Prophet Abraham (peace be upon him) and his family, carries the deepest memory of monotheism and submission. The spiritual atmosphere here invites visitors to a peace that runs through history.

Jaffa, with its Mediterranean blue harmonizing with its historic port and Ottoman traces, is an elegant reflection of Palestinian culture. Walking along the coastline, you feel both the voice of history and resistance.

Jericho, as one of the world's oldest cities, carries the traces of Prophet Moses (peace be upon him) and Joshua son of Nun (peace be upon him). The ruins of Hisham's Palace and the desert's silence offer visitors a tranquil space for contemplation intertwined with history.

When Jerusalem, Al-Khalil, Jaffa, and Jericho come together, they offer visitors a unique spiritual route. This journey, for the believer, is not merely a trip; it is a contemplative journey that follows the traces of revelation and purifies the heart.
