01 About the Tour

JERUSALEM – A SPIRITUAL JOURNEY TO THE HEART OF SACRED PLACES

Jerusalem is Islam's first Qibla and one of the most blessed cities on earth. The presence of Al-Aqsa Mosque, the splendor of the Dome of the Rock, and the traces of the Isra and Mi'raj miracle make this ancient city an indispensable pilgrimage destination for believers. Walking through the streets of Jerusalem, you follow the footsteps of the prophets; you feel the spirit of Saladin's conquest and the Ottoman legacy of justice across centuries.

Near the city, Al-Khalil (Hebron), with the Haram al-Khalil containing the tombs of Prophet Ibrahim (peace be upon him) and his family, carries the deepest memory of monotheism and submission. The spiritual atmosphere here invites visitors to a peace that passes through history.

Jaffa, with its historic port merged with the blue of the Mediterranean and Ottoman traces, is an elegant reflection of Palestinian culture. Walking along the coastline, you feel the voice of both history and resistance.

Jericho, one of the oldest cities in the world, carries the footsteps of Prophet Moses (peace be upon him) and Joshua bin Nun (peace be upon him). The ruins of Hisham's Palace and the silence of the desert offer visitors a quiet area for contemplation intertwined with history.

When Jerusalem, Hebron, Jaffa, and Jericho come together, they offer visitors a unique spiritual route. This journey is not merely a tour for the believer; it is a path of contemplation that follows the traces of revelation and purifies the heart.
